

DME Company registration.

Register your company on-line for the only complete solution to Medicare's Prior Authorization Project. Registration is done in two steps. In the first step you enter and submit basic company information. Submission generates a message to the email address you provide. The second step, done from the received email, allows you to create a username and password.

Step 1

a. Login to DMEevalumate.com and select REGISTER in the upper right corner of the screen.
